MEMORANDUM FOR THE RECORD

SUBJECT: Meeting of 09 August 1983 with Employee Activity Association on Loss
of Ballfield for 15 Months []

PARTICIPANTS:

[] Chief, Benefits & Services Division, OP
[] Deputy Chief, Benefits & Services Division, OP
[] Coordinator of Employee Activities
[] Deputy Coordinator of Employee Activities
[] New Building Project Office, OL []

1. The participants discussed various impacts and aspects of the Employee Activity Association (EAA) not being able to use their ballfield for 15 months beginning in March 1984. The main problem could occur if Fairfax County finalizes plans to upgrade their ballfields on the corner of Route 193 and Turkey Run during this period. If they do, then the EAA will be down to one ballfield (from a current level of four). The EAA needs three fields to run a full program and can run a modified program with two fields. []

2. The New Building Project Office will coordinate with EAA in the reconstruction of the ballfield as far as positioning the field, the composition of the grounds, and the overall finishing touches to be applied. However, the basic level of service as it exists now will be the level provided at the new field. []

3. A general discussion also evolved on the feasibility and legality of the EAA setting up outside contracts for and running a shuttle bus service for Agency employees home-to work-to home. The initial reaction to this was negative in that it would be manpower intensive and the EAA does not have the

resources. As the Agency is in the process of hiring an outside traffic
consultant to advise an alternative means of transportation, this subject was
not pursued.
